All Proposers on RFQ# 280261 – Powder Activated Carbon

Dear Proposers:

In reference to the above solicitation, it is the intent of the Metropolitan Government of Nashville and Davidson County to rescind the Notice of Intent to Award dated 4/10/2023 and the corresponding awards to Calgon Carbon Corporation, Norit Americas Inc, and Veolia Water Technologies, Inc.

The Purchasing Agent has determined that the Notice of Intent to Award was based on incorrect information and the resulting award was inconsistent with the language of the solicitation.

An updated Notice of Intent to Award will be issued soon.

Respectfully,

Michelle A Hernandez Lane
